

**North Carolina Division  
of the  
International Association for Identification**

**Code of Ethics**

As a member of the North Carolina Division of the International Association for Identification and being actively engaged in the profession of forensic identification, analysis and investigation, I dedicate myself to the efficient and scientific administration thereof in the interest of truth, justice and the betterment of the profession.

I will cooperate with other of the profession, promote improvement of all disciplines of forensic identification by fostering and supporting the need for research, refinements of current methodologies and professional training.

I will employ my technical knowledge factually using accepted practices to protect the ethical standards of the profession and I acknowledge my responsibility to the public trust.

I humbly accept my responsibility to seek continued training and guidance that I may keep pure the profession of forensic identification, analysis and investigation.
